Pace of Play & Ready Golf

All Players need to adopt a ready golf attitude!

Pace of play: Golfers should show consideration to others and play at an appropriate pace, keep up with the group in front and, if delayed, allow the following group to play through. The pace of play will be monitored by the match committee.

Ready Golf: Simply put, hit when ready. If you reach your ball and are ready to hit and it's safe to do so, go ahead and hit.

Ready Golf Tips

- Avoid travelling in a group from ball to ball on fairways
- Always be ready to take your shot
- On the green, begin lining up your putt and reading the break as soon as you reach the green
- When it's your turn to putt, be prepared to step right up and take the stroke
- Leave your bags or golf carts to the side or rear of the green, never in front of the green
- Never stand on or next to the green after holing out in order to write down your score
- Do it when you reach the next tee

All golfers are requested to:

- carry a sand bucket and repair divots
- correctly repair pitch marks
- rake bunkers after play
